

Music at Lutheran High

The high importance of music to our curriculum has been evident from the beginning of my involvement with Lutheran High. We agree that music is a unique and effective method of teaching important life and faith lessons. With our current instrumentation, we primarily perform as a jazz combo. We will continue to expand our repertoire as our instrumentation grows and changes. A choral division of our music program is likely to be in place fall of 2012.

"Shout for joy to the Lord, all the earth, burst into jubilant song with music; make music to the Lord with the harp, with the harp and the sound of singing, with trumpet and the blast of the ram's horn - shout for joy before the Lord, the King." - Psalm 98:4-6.

The music program at Lutheran High is off to a fantastic start! For the past two years we have had students accepted to participate in the Sioux Falls All-City Jazz Ensemble, a group made up of only the best students from all Sioux Falls High Schools nominated by their band director.

Lutheran High is a member of the South Dakota High School Activities Association so our students and student ensembles are eligible to participate and compete in state and region music events including the South Dakota All-State Band and All-State Jazz Band.

Lutheran High's band director, Ms. Huyck has big goals and expectations for our music program and the individual musicians here at Lutheran High. The level of musical talent, dedication, and self-motivation amongst our students is extremely high, so with hard work and cooperation we will have a routine of regularly scheduled concerts and festival/contest participation.

We invite you to contact Lutheran High School of Sioux Falls at 605-275-2024 or Ms. Huyck at tasondrajo@gmail.com, to find out more about the Lutheran High band program.
